

Awnings

fabric warranty

This limited warranty protects the original purchaser should Sunbrella awning fabric become unserviceable due to color or strength loss from normal usage and exposure conditions, including sunlight, mildew and atmospheric chemicals.

The limited warranty coverage period is ten years from the date of original installation.

This limited warranty covers Sunbrella awning fabric only. Sunbrella® Plus and Sunbrella® Supreme are covered under separate warranty. This limited warranty is valid with proof of purchase from the original purchaser. This limited warranty does not cover normal fabric care and cleaning; damage from misuse, abuse, or improper installation; or costs associated with replacement of the fabric, including labor and installation. Glen Raven's liability is expressly limited to this warranty. Glen Raven reserves the right to inspect the fabric submitted for claim.

Glen Raven will supply new equivalent fabric to replace the fabric that becomes unserviceable. In the first eight years of the warranty period, Glen Raven will provide replacement fabric to the purchaser at no cost. During the ninth year, Glen Raven will provide replacement fabric to the purchaser at the then-current selling price, less a 30% discount. During the tenth year, Glen Raven will provide replacement fabric to the purchaser at the then-current selling price, less a 15% discount. Replacement fabric is warranted under the remaining term of the original warranty.

Consumers and End Users: Sunbrella is normally a component of an end product such as an awning. For warranty service, please contact the fabricator, dealer or retailer from whom you purchased the end product.
